

## Electrical Products

 <b>Basler Electric</b>	Generator control equipment - voltage regulators, protection relays, system control devices	 <b>RELECO</b>	Control relays, timers and bases
 <b>Central</b>	Bounce Lites®, extension cords and lights	 <b>sprecher+schuh</b>	Low-voltage industrial control products, including contactors, relays, starters, switches, terminals and controllers
 <b>Danfoss</b>	Pressure & temperature switches, transducers, solenoid valves, AC inverters	 <b>TB Wood's</b>	AC variable speed inverters, DC drives, soft starters, drive couplings and power transmission products, gearmotors
 <b>GB Gardner Bender</b>	Quality electrical products from wire connecting to conduit bending	 <b>TURCK</b>	Proximity sensors, connectors, cables, cordsets, fieldbuses and automation controls. Pressure transmitters
 <b>LEESON CANADA</b>	Electric motors AC & DC, gearmotors and variable speed drives, controls	 <b>VULCAN</b>	Battery chargers for industrial, standby, marine and automotive applications

## Woodworking Machinery

 <b>DELTA</b>	Complete line of woodworking machinery and accessories	 <b>KING CANADA</b>	Woodworking machinery - table saws, shapers, drills, sanders, bandsaws and more
 <b>GENERAL</b>	Power of the green machine Woodworking machinery and accessories	 <b>scm</b>	World leader in production woodworking machinery and surface finishing systems

## Machine Tools and Fabricating Machinery

 <b>BOMAR</b>	Heavy duty horizontal metal cutting band saws	 <b>KAR</b>	Machine tool accessories, metal cutting tools and precision measuring tools
 <b>Colchester</b> <small>The Colchester Lathe Company Ltd</small>	Heavy duty precision machine lathes	 <b>KING CANADA</b>	Lathes, milling machines, saws, drilling machines
 <b>EP</b>	All types of punches and dies for all machines and systems and press brake dies	 <b>LAGUN</b> <small>GRUPPO GORATU</small>	Universal, turret and CNC milling machines
 <b>ERCOLINA</b>	Tube, pipe and profile bending equipment	 <b>MILACRON</b>	Water soluble coolants and cutting lubricants for machining
 <b>GEMINIS</b> <small>GRUPPO GORATU</small>	Heavy duty large swing CNC lathes	 <b>PRINCEPS</b>	Heavy duty turret and universal milling machines
 <b>Harrison</b>	Precision machine lathes	 <b>piranha</b>	Hydraulic ironworkers, press brakes, shears, punch presses and bending rolls
 <b>HEIDENHAIN</b>	Digital readouts for machine tools	 <b>RW</b>	Sheet metal fabricating machinery, punches and dies and handtools
 <b>HOSSFELD BENDER</b>	Multi-purpose bending machines for solids, tubing and pipe	 <b>SOWA</b>	Cutting tools, machine accessories, precision measuring instruments and abrasives
 <b>HYD-MECH</b>	Heavy duty bandsaws and material handling solutions	 <b>Whitney</b>	Portable and stationary punching and plasma cutting machines and tooling for fabrication of plate and structural steel
 <b>iscnt</b> <small>Member IMC Group</small>	Carbide inserts and tooling for turning, milling, drilling and boring	 <b>WIKUS</b> <small>Precision at the cutting point</small>	Heavy duty metal cutting bandsaw blades
 <b>LAESDA</b>	Horizontal and vertical metal cutting bandsaws		
 <b>JANCY</b>	Heavy duty magnetic drilling units, "slugger" annular cutters, bevellers and welding positioners

## Construction and Industrial Products

	Professional hand tools including Allen hex keys, K-D tools, Jacobs chucks and more		Pneumatic hoists and lifting equipment for mining, offshore and industrial applications
	Electric, pneumatic deck scalers and accessories		Quality hand tools and safety equipment for the electrical, HVAC and lineman trades
	Handheld torches and accessories		Commercial power tools, largest selection of portable battery operated tools
	Material handling equipment including hoists, manual chain falls, pullers, electric chain, wire rope hoists and trolleys		World renowned hammer drills, heavy duty power tools and accessories
	Crescent® wrenches and pliers, Lufkin® measuring tools, Nicholson® files, H.K. Porter® bolt cutters, Weller® soldering products and Wiss® snips		Industrial heavy duty drills, magnetic drills and accessories
	Vehicle assembly and service tools such as impact wrenches, ratchets, drills, hammers and squeeze riveters		Premium line of professional cutters, knives, blades and accessories
	Power tools, equipment and accessories		Watertight protective cases, submersible flashlights and ATEX certified torches
	HSS and carbide drills, taps, dies and reamers		Industrial maintenance products; adhesives and sealants, threadlockers, retaining compounds, gasketing, lubricants, cleaners
	Pneumatic "Dyna Files" polishers, sanding and dust collector systems		Heavy duty cordless and electric power tools, air compressors, air tools, specialty tools and accessories
	Hydraulic tools, presses, cylinders, pumps, hoses, gauges and valves		Industrial batteries and flashlights
	Ladders - aluminum and fibreglass step, extension, straight, rolling steel, special and general purpose		Heavy duty pipe tools, threaders
	Carbide cutting tools for the woodworking industry including router bits, saw blades, dados, biscuit joiners and more		Innovative, professional grade, laser tools
	A leading Canadian manufacturer of snow, lawn and garden tools.		Sanding solutions and abrasives for high quality surface preparation and finishing
	Industrial Canadian-made hand tools and tool storage systems, chain hoists		Quality assortment of hand tools, sockets, wrenches and more at competitive prices
	Premium cutting tools, drills, mills, reamers, taps and dies		Industrial pneumatic tools and accessories
	Power and hand tools for the electrical construction trade. Pipe benders, pullers, punches, installation tools, testers		Wet and dry vacuums and accessories
	American & swiss pattern files and rotary burrs		Hand and power tools for the industrial market
	High quality advanced cutting tool technology		Accurate, durable and convenient laser measuring and leveling products
	Quality hand tools and power tool accessories for trade professionals		Carpentry hand tools for construction professionals and the world's largest handheld hydraulic tool manufacturer
	World leader in chainsaws, brushcutters, trimmers, blowers and accessories		Hard to find high speed steel metal threading taps, dies and reamers
			Electric chain hoists, trolleys and winches
			Heavy duty power tools, abrasives, cutting tools and chemical maintenance products

## Test and Measurement Equipment

	Data loggers for all applications, temperature, pressure, humidity, current, voltage, power		Broad range of hand-held test and measurement equipment for industrial applications
	Insulation testers, power quality analyzers, micro-ohmmeters, ground resistance meters		Precision test instruments – scopemeters, DMMs, insulation testers, calibrators and cable analyzers
	Clamp meters, chart recorders, testers for HVAC, electrical servicing		Machinist precision measuring instruments
	Combustion analyzers and measurement and detection equipment for gases and liquids		Portable infrared thermometers, thermal imagers, temperature measuring instruments
	Panel and switchboard instruments, instrument transformers, transducers		Economically priced range of test instruments for electronics, electrical, HVAC
	Surface coating inspection and measurement gauges, material thickness gauges, environmental instruments		Precision measuring tools for machinists, millwrights and industrial users
			Calibrators and instruments for temperature, flow, pressure and level measurement

## Environmental, Spill Control and Air Quality Products

	Water-based, non-WHMIS solvent-free parts cleaning system		Instrumentation for hazardous gas detection, combustion analysis and flame detection
	Air filters and filtration equipment for a wide range of markets and applications		Sorbitec™ industrial absorbent, environmental remediation products and versatile sorbent solutions
	In-line duct booster fans, exhaust and ventilating fans		Spill response products - absorbents, spill kits and wipers
	Manufacturer of a full range of ventilation equipment products to suit a large range of applications		Organic, biodegradable and environmentally friendly cleaning products
	Source extraction equipment, fume and exhaust extraction systems, fans, filters, vacuums, hose and cable		

## Air Compressors and Airline Equipment

	Heavy duty industrial air compressors, oil free filters, air dryers, accessories and parts		Range of products from filters and condensate drains to high capacity refrigerated and desiccant dryers
	High performance vacuum pumps and systems		Hose and fittings for air, water and hydraulic systems
	Reciprocating air compressors, parts and service		Airline equipment, filters, lubricating equipment, regulators, valves, cylinders, pumps, spray equipment and more
	Airline filters, air dryers, oil/water separators, Xebec dryers and filters		Modular, contamination-free, extruded aluminum piping system for compressed air piping installations, 12 to 80 mm sizes
	Quality air compressors, parts and air powered accessories		Heavy duty reciprocating air compressors and hydraulic press specialists
	Industrial quality hose, fittings, couplings, pipe fittings and controls		Airline equipment and accessories, filters, regulators, oilers, couplers, hoses, air control valves and cylinders
